

JOHN R. SANCHEZ

EXPERIENCE

07/08-Present **Young Upstart FX**

Freelance 3D Graphic Artist in New York City. Notable Spots have included MTV, Head and Shoulders, Oil of Olay, Folgers, Three Musketeers, Plavix, Chantex and Sesame Street. I am very good with both Softimage, Maya and RealFlow. I do compositing with Shake and After Effects.

01/07 -06/08 **The Napoleon Group / Code FX**

3D generalist / character rigger for the Graphics dept. I also did particle effects using XSI particles, and Real Flow for such elements as smoke, water ribbons and pouring chocolate. I used After Effects for compositing the rendered passes.

Spring 2006 **MTV Upfront 2006**

I worked Freelance in the MTV on air design department. I worked on back ground visuals for the Jamie Foxx performance at the MTV upfront 2006 at Madison Square Garden. I worked on eye candy for the Presentations as well. I imported elements from XSI 4.2 into Maya 7.0 and rigged them, animated them and did all the lighting and rendering. The renderings were done in 1920x1080 HD Format.

I did 14 animations in total.
